

#### Postoperative instructions for BOTOX/Dysport

1. Do not lie down for 6 hours following injection.
2. You may wear makeup immediately after injection.
3. Do not exercise on the same day as your injections.
4. On the evening following your injection, wash your face gently. Do not scrub your face, and dab dry gently.
5. On the day following your injections, return to full normal activity.
6. The medication requires 4-7 days to take effect. Do not expect results prior to then.
7. Please call 281-557-3223 for any questions.
8. Thank you again for choosing Athré Surgical Associates.
